

## IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

White Tail Ridge Lakes Estates TX2290012 has violated the monitoring and reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Chapter 30, Section 290, Subchapter F. Even though these were not emergencies, as our customers, you have the right to know what happened and what we are doing (or did) to correct these situations.

*We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. During 1/1/2021 – 6/30/2021 we did not complete all monitoring or testing for Water Quality Parameters and therefore cannot be sure of the quality of your drinking water during that time.*

The table below lists the contaminant(s) we did not properly test for during the last year, how often we are supposed to sample for Water Quality Parameters, how many samples we are supposed to take, how many samples we took, when samples should have been taken, and the date on which the follow-up samples were taken.

Contaminant	Required sampling frequency	Number of samples taken	When samples should have been taken	When samples were or will be taken
<i>Water quality parameters</i>	2RT/6M PBCU001, PBCU002, & DS01	0	1/1/2021 – 6/30/2021	7/1/2021 – 12/31/2021

### What is being done?

We are working to correct the problem. For more information, please contact Undine Texas, LLC. at (713) 554-1417 or 17681 Telge Rd, Cypress, TX 77429.

Subsequent samples were scheduled and collected by the water system and laboratory bringing the system into compliance.

*Please share this information with all other people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.*
