

**Public Notice Mandatory Language for Monitoring and Reporting Violation
Operational Evaluation Report**

The **GBRA PORT LAVACA PWS ID 0290005** has violated the monitoring and reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Chapter 30, Section 290, Subchapter F. Public water systems in exceedance of an operational evaluation level are required to conduct an evaluation of their source water, treatment and distribution operations and submit a report of their findings to the TCEQ.

We failed to conduct an operational evaluation and/or submit a report to the TCEQ.

This violation occurred in the monitoring period(s): TTHM for 2Q2023 - 3Q2023.

What is being done?

We are taking the following actions to address this issue:

We have provided our Operations Evaluation Level report to TCEQ in a timely manner and returned to compliance as of 01/23/2024.

The subsequent operational evaluation reports were submitted. Standard operating procedures have been implemented to ensure submission of the reports in a timely manner.

Please share this information with all other people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
